Ms. Stancil—I would like to request a copy of the written transfer agreement between North Durham Women’s Health and any local hospital. If the department has no such record, I request any records evidencing such an agreement or evidencing any attempt to obtain such an agreement. The requested agreement is the one required by 10A NCAC 14E.0310 regarding Emergency Back-Up Services.

Thanks,

Hello,

I am trying to get hold of the department/person responsible for health statistics more specifically induced abortions. The website clearly communicates that the number of induced abortions was under-reported from 2011 to 2014. I would like to know if possible the degree of the under-reporting ratio if know so that I can apply the degree of correction needed to the seasonal trend of abortions in the State (working on a current analysis myself).

Waiting on your answer and directions.

Thanks!
